General Contractors

Healthcare: R.J. Griffin & Company, General Contractor – Atlanta, GA

Contractor cites OxBlue's reliability, low cost, and ease of use.

R.J. Griffin is the Southeastern division of J.E. Dunn Group, and is one of the fastest growing healthcare contractors in the United States, according to current rankings by Engineering News-Record (ENR) magazine.

“OxBlue webcams provide the best value in terms of technology, reliability, cost and ease of use. They're not only a valuable resource for our project teams, they help our clients see what's happening on the jobsite every day. OxBlue is a prime example of how we use technology to deliver high quality, cost effective construction services for our clients.”
